

K-Love is a wonderful ministry that has touched many lives through it's radio broadcasts. If K-Love were displaced by an LPFM broadcaster providing other programming it would not only sadden myself and my family, but a whole community who is positively uplifted all day long through music and words! K-Love is in everyone's best interest - not just listeners, but those touched by listeners. It is a family friendly station that provides a great service not only to our community but to our nation as a whole.
Thank You for your time!
